# Presentation

The event **Oxente Rails 2010** will take place on August 6th and 7th in Natal, in Praia Mar Hotel & Convention, located at one of the most beautiful beaches of Brazil (<http://www.praiamarnatal.com.br/ingles/index.php>), and will count with the presence of national and international speakers. We expect to have about 400 attendants in this second edition to consolidate as a reference event in Brazil as well as in Latin America.

## Goal

The goal of the event is to share Ruby on Rails and its environment around Brazil and Latin America by talking about related subjects like agile methodology and entrepreneurship through presentations, exposition, classes, papers, and birds of feather. Also, to promote the socialization, integration and knowledge and experience sharing amongst the participants of the event.

## History

The first edition of **Oxente Rails** happened in August of 2009 and had more than 200 participants of the whole country and over 300 viewers over the internet in many countries and was considered one of the most valuable events of technology of Brazil and got into the Rails world's schedule. National and international speakers like Yehuda Katz, Jon Larkowsky, Geoffrey Grosenbach, Fábio Akita, Carlos Brando and many others were present talking about many subjects that surround Rails, Agility and Entrepreneurship.
